59 home. Lynne explained the purpose of the preservation easement, and that it helps with tax relief.

61 they have multiple properties with this easement. Lynne explained that the property meets

78 numbers and possible other options. Lynne explained that once the address is changed in the 9-1-1
79 database, then it can be changed elsewhere. Shamus Quirk, 13 Aruda Rd, asked if they could change
80 only a specific few numbers at the beginning of the road, instead of reordering 13 properties.
81 Lynne felt that 9-1-1 had reasons why they wanted those house numbers changed, and Quirk and

83 speak with Andrea and the Fire Chief to answer more questions.

95 loss of driver's license, as this would have to be done by a judge. Selectmen and Chief Gordon
96 discussed the specifics of the ordinance, and whether it would stop non-profits, as well as salesmen,
97 and whether the ordinance would go to the ballot or be redone yearly. Selectmen discussed options
