On May 23<sup>rd</sup> the Sandown Police Department was made aware of a possible threat to a teacher at Sandown North. This threat was concerning enough to warrant a preliminary investigation. The results of the preliminary investigation between the Administrators of the Sandown North School, the Superintendent and the Sandown Police Department lead the SAU to place a temporary "NO Trespassing Order" on a single parent responsible for the public alarm. The Sandown Police Department has made contact and has fully informed this parent of the wishes of the Superintendent's office. The Police Department will continue to work with all parties involved to manage the situation most appropriately.

There is no reason for alarm in the Sandown Schools and assure that students can continue with their normal routine.

Joseph Gordon  
Chief of Police
