

## YOUTH SPORTS ORGANIZATIONS

In the Town of Sandown youth sports are offered through individual organizations and not through the Parks and Recreation Department. Although games and practices may be held at town fields, the organizations themselves are responsible for the running of their own programs including registrations, costs, rules, eligibility and more. For informational purposes the Parks and Recreation Dept. has listed the names of various youth sports organizations in the area along with links to their individual websites. Please contact those organizations directly for any questions you may have regarding that sport as the Recreation Dept. will not have the information you may need.

\*If you have not uploaded new maps to your GPS since 2013 you will most likely not have this "newer" road show up and instead, your GPS may send you to a similarly named road in Chester, NH. From the Sandown Town Hall, located in the center of town at 320 Main St., head north on Route 121A (Main Street) for less than 2 miles. You will see Pheasant Run Drive on your left. There is also a brown and white 'street sign' that says, "RECREATION"
